The **SPACE COAST WORLD TRADE COUNCIL** was founded 18 years ago in recognition of the growing importance to Florida growers, manufacturers, and service providers of the international marketplace. The Council's membership is composed of expert and novice business people interested or involved in foreign trade. The Council is a not-for-profit organization dedicated to the growth and diversification of the Space Coast economy.

The Council's mission is to: Improve international business on Florida's Space Coast (Brevard and surrounding counties). We do this through education and by creating partnerships with economic development organizations, Government agencies at all levels, chambers of commerce, local colleges and universities, business organizations and other trade-related entities. We also coordinate and assist inbound and outbound Trade Missions

SCWTC Programs:

- Brown Bag Luncheons and Half-Day Courses (typical titles – these vary from year to year based on need)
 - Automated Export System (AES) Workshops
